

**We are very excited to announce that Lupe Lopez will move into a new role as Director of Club Development. In this role, Lupe will spearhead the clubs initiatives to enhance player development across all our affiliates and regions. He will work with each program to improve player retention and improve recruitment efforts. He will also be tasked with creating ID camps for current Sporting California USA players to ensure players are getting an opportunity to compete at the highest levels. Please help us welcome Lupe Lopez.**
