

# SPORTING CALIFORNIA USA Parent Info Night

WEEKLY NEWSLETTER

We are excited to invite you to the upcoming Sporting California USA College Parent Info Night happening tonight April 21st from 8:00 to 8:30 p.m. via zoom.

This special event is designed for families who are interested in having their players sign up for our free online 1-hour college workshops.

As a parent, you play a critical role in your child's college journey, and we want to provide you with all the information and resources you need to support their success. The Parent Info Night will be a 30-minute meeting where you will have the opportunity to learn more about the workshop topics, ask questions, and get a comprehensive overview of our college success program.

Our workshops are tailored to provide valuable insights into the college admission process, scholarships, financial aid, NCAA eligibility, and more. We believe that every player deserves the opportunity to pursue their dreams of playing college sports, and we are committed to helping your child achieve their academic and athletic goals.

Don't miss out on this opportunity to learn more about how Sporting California USA can support your child's college aspirations. Join us tonight for the Parent Info Night to get all the information you need to guide your child towards a successful college experience. We look forward to seeing you there!

# PLAYER SPOTLIGHT

## VINCE WARREN - BOYS 2006 ECNL

This week's Player Spotlight is Vince Warren, who has been selected to participate in the Continental Tire ECNL National Selection Game. Vince, a 6'1" 160 lbs. junior at Temecula Preparatory School, is a formidable presence on the field as a center back for the ECNL B06 team, under the guidance of Coach Jimmy Nordberg. Vince's dedication and talent have earned him numerous accolades, including being selected to train with the ECNL National Training Camp in Louisville, KY in August 2022. He spent four days honing his skills at the prestigious Louisville Lynn Family Sports Vision and Training Facility, showcasing his commitment to elevating his game to the next level. In addition to his accomplishments in the ECNL, Vince has also been recognized for his outstanding performance in high school soccer and football. He has been named to the First Team - All League in the HS Manzanita league for both sports, a testament to his versatility and skill as an athlete. We are proud to have Vince Warren as a part of our Sporting California USA family, and we are confident that he will continue to achieve great success in his soccer journey. Congratulations, Vince, on your selection to the Continental Tire ECNL National Selection Game, and we look forward to witnessing your continued growth and achievements on and off the field!
